Building Boom in Town of Lac la Biche

400 Friends Honor Father McGrane With Gift Of Money At Farewell

LAC LA BICHE — A "Bon Voyage" party was held in the Memorial Hall on Sunday afternoon, Sept. 28 in honor of Rev. J. E. McGrane, who after a pastorate of over 18 years in St. Catherine's parish, is leaving Lac la Biche on an extended leave of absence. Last April he was also honored by the parish and the town on the occasion of the 25th anniversary of his ordination to the Holy Priesthood. Father McGrane will leave this week to visit friends and relatives in the United States, after which he plans to spend Christmas in the Old Country. At the conclusion of the High Mass in the parish church on Sunday last, on behalf of the altar boys, a presentation of a box of 50 cigars was made to Father McGrane by Barry Breau.

The afternoon party was well attended. This function was organized by the Ladies of St. Catherine and the Knights of Columbus. Tea was served and this affair gave Father McGrane a chance to receive the good wishes of the 400 townspeople who attended. Otherwise it would have been impossible to make personal calls on all those who were there. The highlight of the afternoon was the presentation to Father McGrane of the voluntary donations which were made to him during the social gathering, a sum of exactly $500.

During Father McGrane's absence, R. Rizzoli will be acting commanding officer of the local Sea Cadet Corps and he will also be in charge of the Sea Cadet camp property.

HAWAIIAN TOUR POSTPONED!

Due to the late harvesting and inclement weather, we regret that the Hawaiian Tour will now be postponed until the early spring of next year. By doing so, we feel that farmers and agricultural workers will have a better chance to participate in this tour after the full harvesting season is completed and before the spring work commences.

Work On Sewers Reports Progress

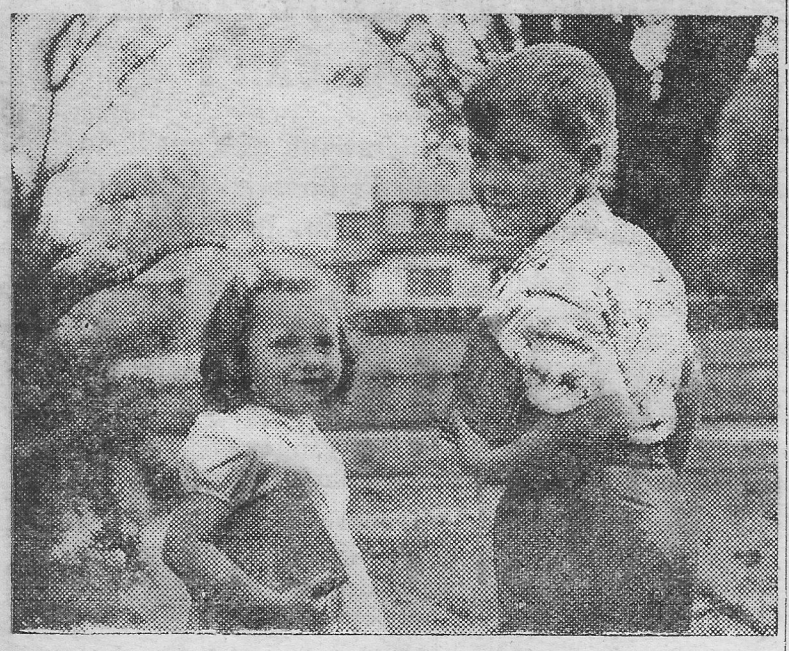
LAC LA BICHE — Work on the sewer extensions project is now going ahead steadily after a bad start due to heavy rains just when the job was getting under way. Engineers in charge expect that all mains will be laid before the middle of October, after which installation of customer's service lines will begin. Bert Construction of Smokey Lake has the contract.

Stop This Cruelty To Children

Cases of parental cruelty to children, ending in death have hit the headlines here in Alberta this year.

T. W. Pue, publisher of this paper, suggests that something should be done about this, in his column in the Country Life section of this issue.

Read it — and if you agree that something should be done about parents who are cruel to their children, write Mr. Pue your suggestions. Or send an unsigned letter reporting any case you know of, of parental cruelty to children.



TEACHERS' CONVENTION means four or five days holidays for nearly 50,000 school children in northern Alberta. About 550 teachers will attend each of the three two-day sessions of the First Edmonton District Teachers' Convention at which Dr. Lester Ball, of Milburn Township Public Schools, New Jersey, will be the special speaker. School districts attending the convention Thursday and Friday were Athabasca, Barrhead, Sturgeon, Lamont, Thorhild and Edmonton suburban schools. Those attending Tues. and Wed., Oct. 14 and 15, will be: Lac la Biche, Lac Ste. Anne, Smoky Lake, Stony Plain, Westlock and Wetaskiwin, and on Thurs. and Fri., Oct. 16 and 17, will be Clover Bar, Coal Branch, Edson, Holden, Leduc and Two Hills.

RICHARD E. HALL

Athabasca Man In Leadership Race

Richard E. Hall, member of the provincial legislature for the northern Alberta riding of Athabasca, will throw his hat in the ring for the leadership of the Liberal party in Alberta.

Mr. Hall's announcement brings to three the number of persons campaigning for the Liberal party leadership, which will be decided at the Convention to be held in Edmonton on Oct. 31 anl Nov. 1.

A native of Edmonton and former school teacher, Mr. Hall has been in business as a general merchant and theatre owner in Athabasca for the past 15 years. In 1944, he became a town councillor and a year later mayor of Athabasca, a position which he held for

(Cont. on Page Two)

MacLeods To Open Lac la Biche Store

As has been rumored for several weeks, there will definitely be a new Macleod's Store opening in Lac la Biche soon. It will be in the building formerly used for Mischuk's General Store on Alberta Avenue, halfway between the new provincial building and the Lac la Biche hotel.

This building is comparatively new, being built four or five years ago, and is now being completely redecorated for this purpose.

A carload of new fixtures of the most modern design and a large variety of new merchandise will be arriving soon.

The grand opening day will be about the end of October. It will be under the management of Louis Blain. Mr. Blain has had over 12 years of experience in similar lines of business. He definitely expects to be able to provide good merchandise at reasonable prices, and invites everyone to call in on opening day and as often as they wish in the future.

Macleod's Limited has been serving the people of Western Canada for over 40 years, first by mail order and then through their numerous retail stores. They feature many name brands and have justly acquired a reputation for giving fullest value for the money. Most people feel this store will be a great asset to Lac la Biche.

Town Office Reports Construction Permits Total $155,415

According to figures released by the town office, building permits issued for 1958, to the end of September, totalled $155,415. Up to the same date for 1957 the amount was $93,050.

Of these permits only three were for new dwellings in this year as compared to permits for 13 dwellings up to this date in 1957.

NEW ELEVATOR

At present, work is going ahead rapidly on the new Wheat Pool elevator. Some 18 to 20 men are employed there at the present time. The ground work has been completed and the walls of the 60,000 bushel capacity structure are beginning to take shape.

SERVICE STATION

A site was cleared the first of the month and work is progressing on a service station and garage,

"Get Together" For Teenagers

The Diocese of Athabasca Anglican Church will hold a Young People's "Get Together" at Athabasca during Thanksgiving weekend, Oct. 10-13.

All 'teen-agers are welcome.

A novel program is planned, consisting of a youth rally, social supper, worship, country capers, dancing and a banquet.

Then there's the man who thinks he is a philanthropist because he once gave five dollars to the Red Cross.

six years. A member of the United Church, he is also Sunday School superintendent in his local parish and has taught religious education to youths in his community for some years. Mr. Hall is married and has two children.

During the years he has spent in the Provincial Legislature, Mr. Hall has taken a special interest in municipal problems, health and welfare and development of the north.

Interviewed in Edmonton Tuesday, Mr. Hall stated his conviction that Alberta, with its vast natural resources, is "on the doorstep of a new era of growth and development such as Canada has never seen before". "This promise of future growth and prosperity carries with it the challenge of making vitally important decisions, if our true potential is to be realized", he stated.

As a resident of northern Alberta, Mr. Hall is particularly interested in the future of the north "The potential of the mines, the forests and the farm land of Northern Alberta could well make that area as important to our province, and indeed to all Canada, as the prairie lands of the south". he declared. "The key to unlocking this vast potential is transportation—by highway, rail and air".

Mr. Hall plans to embark immediately on a province-wide tour to enlist the support of his fellow-Liberals in every part of Alberta.

Ellscott

Joseph Osadchuk, who has been working in British Columbia, has been a recent visitor at the home of his parents, Mr. and Mrs. Matt Osadchuk.

Mr. and Mrs. Art Boisvert (nee Doris Seifridt) of Kinuso are the proud parents of a baby son, Barry Arthur, born in High Prairie Hospital.

Mr. and Mrs. G. Ivey of Westlock and Mr. and Mrs. B. Ivey of Thorhild visited with Mr. and Mrs. George Saxton recently.

Mrs. John Gregoruk is a patient in the Misericordia Hospital.

Spruce Valley

Mr. and Mrs. Fred Rye and children of Edmonton visited friends in the district recently.

Mr. and Mrs. Tony Zachkewich and Bonnie were recent visitors to Athabasca.

The shower held for Elsie Semashkewich and Nick Shmyrko at Boyle was attended by a number of Spruce Valley residents.

Mr. and Mrs. Mike Homeniuk attended the wedding of their niece Miss Lorna Wojwitka and Mr. Albert Orland Walker Sept. 26, at Edson.

Bill Mahaden and son Russel were weekend visitors to their home here.

Miss L. Mahaden was a weekend visitor at her home.

Mr. and Mrs. Emil Zilinski of Edmonton were weekend visitors to their farm here.

Who's the head of the house is often a matter of argument.

LAC LA BICHE Alberta

YOU CAN AFFORD TO FORGET —IMPERIAL CAN'T

. . . because four generations of Canadians have come to depend on Imperial products on the road, on the farm, in the home

Imperial started supplying Canadians with oil products in the very early days of the industry in Canada . . . in fact, 1880 was the year it made its start in this business.

In most areas of Canada, it was an Imperial refinery which first began making oil products locally.

Imperial pioneered, too, in supplying Canadians with products when and where they were needed. (As far back as 1907, Imperial opened the first service station in Canada . . . and perhaps in the world.)

Today, as over the past 78 years, Imperial recognizes its responsibility to bring Canadians the most modern of oil products at the lowest possible price.

Mary Lou Cadieux Becomes Bride

Belgravia Evangelical Free Church, Edmonton, was the scene of a fall wedding when Miss Mary Lou Cadieux and Mr. Norman Wilmont Grammer exchanged marriage vows.

Rev. C. Gilchrist officiated at the double-ring ceremony for the daughter of Mr. and Mrs. Emil Cadieux and the son of Mr. and Mrs. S. W. Grammer, all of Lac la Biche.

For her wedding, the bride chose a fitted suit of soft red wool, featuring a portrait collar and chemise back. Her accessories were in white and she wore a small white hat, and carried a white Bible on which reposed several red rosebuds.

Miss Gay Cadieux was her sister's bridesmaid. Her costume was similar to the bride's and she wore white accessories.

Mr. Eli Yakoweshyn of Craigend was best man.

Following the ceremony, a dinner attended by the wedding party and relatives was held at the home of the bride's sister, Mr. and Mrs. George Yakoweshyn at Lodgepole.

Mr. and Mrs. Grammer will make their home in Lac la Biche.

Atmore

A Nicklow and Bill Taylor, employed at Smith, paid a brief visit to the district.

Mr. and Mrs. Joe Duigou and family motored to Breynat recently.

Verna Shank spent a weekend at the Joe Duigou home.

Mr. and Mrs. L. Verkland of Edmonton were weekend guests at the William Campbell home.

A large crowd attended the dance held in the Atmore Community Hall, Sept. 26.

Donnie Leaske of Edmonton was a weekend visitor in the district.

Ella Rudman, employed in the Athabasca Hospital, spent the weekend with her parents, Mr. and Mrs. Charles Rudman.

David Heatherington made a recent business trip to Edmonton. Terry Conroy of that city is spending a holiday at the Heatherington home.

Max Stanchfield, employed by the Forestry Branch and now in Wandering River, spent the weekend with his parents, Mr. and Mrs. A. Stanchfield.

Jerry Baldwin of Calgary was a recent visitor in the district.

Nellie Fischer of Charron paid a brief visit to her sister, Mrs. Roderick Baldwin.

Five Injured; In Hospital

GRASSLAND — Matt Sawchyn, his passenger, Dan Sadownik, and three duck hunters from Edmonton were taken to Lac la Biche Hospital following a head-on collision between Mr. Sawchyn's car and a jeep driven by a member of the Edmonton trio. The men's injuries did not appear to be serious.

Both vehicles were demolished.

Wandering River

Nick Gordichuk is back teaching grades 7, 8 and 9, after spending the last few weeks in hospital where he underwent surgery.

The grade 1, 2 and 3 class are spending a brief holiday while their teacher, Miss Meyer, is in hospital.

Hospital News

St. Catherine's Hospital, Lac la Biche, reports the following in patients from Sept. 26 to Oct. 3, inclusive:

Mrs. Paul L'Herueux, Lac la Biche; Mrs. Rene Proulx, Wandering River; Mrs. Nancy Nordquist, Lac la Biche; Garth P. Gordon, Caslan; Tommy Manca, Lac la Biche; Mr. Charles A. Armour, Edmonton; Mr. Maty Sawchyn, Grassland; Blair Gaudet, Plamondon; David Teha, Lac la Biche; Anthony Plamondon, Plamondon; Mrs. Elizabeth Bouvier, Edward Klein, Russel Lacusta, Alcide Richard, Lac la Biche; Mrs. Willard Ladouceur, Caslan; Robert Gladue, Lac la Biche; Mr. Elof Anderson, Lac la Biche; Marlene Mahowich, Hylo; Leonard Lemay, Egg Lake; Mr. Peter Watamaniuk, Wandering River; Mrs. John Gilowski, Caslan;

Alberta District News In Brief

FIRE CHIEF John Ziganash is proud of his efficient Willingdon Fire Brigade. Although the volunteer firemen pictured above keep careful watch over the village all year around, they hope the people of Willingdon will take note of life-saving information published during Fire Prevention Week, Oct. 5 - 11.

Elevator Agent Gets 18 Months For Grain Theft

The second Alberta grain elevator agent in two years was convicted of stealing a large amount of grain from his firm, in Alberta Supreme Court.

Mr. Justice H. W. Riley sentenced Stanley Bernard, 54, of Conrich to 18 months hard labor in Lethbridge jail.

Bernard, who was an agent for the Alberta Pacific Grain Co., in Conrich, pleaded guilty to the charge of converting some $30,000 worth of grain for his own use over a period of months.

A. M. Harradence was counsel for Bernard. He said he did not believe the entire blame for the theft should be on the agent. Mr. Harradence suggested in court that more frequent weight-outs by the company would prevent "this sort of thing".

He said the accused was now penniless and that he was the victim of a cold and calulated scheme by gamblers who took his money.

Before passing sentence, Mr. Justice Riley said "Perhaps the real culprits in this case are the gamblers who took advantage of a rather weak-minded accused.

He said he did not relish the thought of sentencing a man as old as Bernard.

Wins Car At Bingo

RADWAY — Mike Petryk recently won a car at a bingo in Edmonton. He is the third resident of this district to win a car at bingo within a year. The others are Tom Korpesiu and Anton Krekotin.

Devil's island was a French penal colony in Guiana.

Myrnam Fire Brigade Boasts Chief And Sixteen - Man Crew

Chief Boris Melnyk and his 16-man crew of fire-fighters safeguard the life and property of the citizens of this village. Members of the Myrnam fire department are on call 24 hours a day without any remuneration. They are all volunteer fire-fighters.

Myrnam, as many other villages and towns in Alberta, depends upon these stalwart citizens in time of need and disaster. They take their responsibility seriously and conscientiously. They are the ordinary citizens who have their daily jobs to look after. Their training and drill comes after a day of labour when others are relaxing in the comfort of their homes. Fire drills are held weekly and all equipment checked.

The Fire Department is equipped with one fire truck carrying a 500 gallon pumper, 800 feet of 2½ inch hose and 200 feet of 1½ inch hose. In all there are 9 hydrants covering all areas of the village. The latest to be installed is in the western portion of the village where at present the extension to the waterworks is in progress. Men are equipped with masks, slickers, boots and hats. All fire-fighting equipment is housed in the fire hall. This is a large building entirely covered with metal sheathing. It is located in the centre of the village and accessible at all times. The fire siren is located on the front wall of the building. There is also a connection with the telephone central so that the siren may be sounded from the telephone office.

Believing in the old adage that "an ounce of prevention is worth a pound of cure", the firemen make annual house visits advising the householders about removing fire hazards. Previous co-operation from the householders has been good. People are learning that the task of the fireman is not only to fight fires but also to prevent them. In summer; the fire truck is used to water the streets in order to keep the dust down in the village.

Myrnam Fire Department, under Fire Chief Boris Melnyk is made up of the following personnel: Joe Chudyk, Peter Chychul, George Dmyterko, Peter Gadowsky, Harry Haluschak, Walter Hasuik, Paul Kolada, Paul Kucey, Joe Machney, James Melnichuk, Peter Mishanuik, Allan Rosenthal, Evert Van Sloten, William Yaciy, Eugene Zaff, and Assistant Fire Chief Andy Marty.

The Village of Myrnam proudly salutes her valiant fire-fighters, and pays tribute to these men who stand ready to safeguard life and property.

12 Dwellings To Have Sewer, Water

The water and sewer extension tender for Myrnam has been awarded to Ackerman Construction of Vermilion. Work on the extension around block 9 has already commenced and completion is expected by the end of October. This new extension will service 12 dwellings not previously served by water and sewer.

With the completion of the extension water facilities will be available to all but four dwellings in the village. These are located in block 12 and are some distance from the water lines. It is hoped that in time water facilities will be available to all dwellings.

Whitford Man Suffers Injury

John Buga is a patient in the Willingdon Hospital. Mr. Buga was cranking his tractor and not realizing it was in gear was run over, suffering a broken leg He managed to crawl to his car some distance away from the garage and then drive about two miles to his neighbors, who drove him to the hospital.

Grazing Land Near Two Hills Will Rent For Small Fee To Farmers

TWO HILLS—Land, eight miles north-east of here, will soon be put to better use. In the spring of this year, Rannock Community Pasture was seeded to a mixture of brome, creeping red fescue and small amounts of alsike clover. At present it is made up of 16 sections divided into four fields, but the municipality is requesting that more land be added.

It will take some time before it is open to the public but once the pasture is in operation it will carry 1,000 head of beef cattle, says G. R. Sterling, Chairman, Alberta Conservation and Utilization Committee.

Rotational grazing will be practiced on the land, which will be surrounded by a 4 strand barb wire fence with pressure treated pine posts one rod apart.

Cattlemen with insufficient pasture will be able to forget about their animals for about five months in exchange for a very reasonable rental fee. They will also be able to increase their breeding herds.

94 Donors Attend Blood Clinic

An emergency Blood Donor Clinic under the auspices of the local branch of the Red Cross, netted 87 pints of blood for the Blood Donor Service. There was a total of 94 donors, however 7 were rejected.

The Red Cross has twice called on the Redwater branch this year for donor clinics and in all, Redwater, Thorhild and Egremont have donated close to three hundred pints of blood at the two clinics.

The clinic was under the direction of Mrs. Bruce Williams who is president of the local chapter. Assisting Mrs. Williams throughout the afternoon and evening were, Mrs. Cliff Donald, Mrs. Howard Devitt, Mrs. Lorne Brothen, Mrs. Melvin Smith, Mrs. R. Chalmers, Mrs. E. Regan, Mrs. M. Hanington, Mrs. A. D. Cormack, Mrs. S. Benko, Mrs. T. Stack, Mrs. M. Kapach, Mrs. C. Carby, Mrs. G. Griggs, Mrs. H. Webber, Mrs. William Mitchell, Mrs. W. Anderson, Mrs. Alex Gordon and Misses Helen Anderson and Faye Harvey.

The Red Cross especially wish to thank the members of the local Canadian Legion for the free use of their hall and its facilities.

Farewell Party For James' Family

LAVOY—Neighbors, friends and members of the Silver Belles girls' club gathered recently at the home of Tom and Elsie James for a farewell party in their honor. Everyone joined in several rousing games led by Cora Smiley.

In presenting a spoon to Judy James on behalf of the Silver Belles, Florence Kittle mentioned that they would miss Judy at their meetings but wished her luck in her new environment. On behalf of the adults present, a lovely kitchen electric clock was given to Tom and Elsie with the wish that it would bring pleasant memories of their life while at Lavoy, and of their friends who were gathered that evening.

Lunch completed a most pleasant evening. Mr. and Mrs. James and their family of four are moving to Edmonton shortly.

Penguin Member Attends Hockey School

MYRNAM — Fred Swyripa, a member of the Myrnam Penguin hockey team, attended the hockey school held by the Edmonton Oil Kings.

This was a wonderful opportunity for Fred to continue his hockey career but he has decided against it. Since he is in grade 12, he will devote his time to studies and playing local hockey. He is looking forward to attending the university next year and while in the city he may get a chance to play.

Fred, a sturdy defenceman, played with the Vermilion Bobcats during the 1957-58 provincial playoffs. Fred is the oldest son of Mrs. Mary Swyripa and the late William Swyripa.

Sonia Stepanik Wins Award For Best Garden

The Innisfree Girls' 4-H Garden Club held its Achievement Day in the school auditorium. The theme was "Shine on, Harvest Moon."

The auditorium was beautifully decorated with sheaves, cat-tails, many varieties of flowers and large vegetables such as squash and melons. Girls in charge of decorations were Sonia Stepanik, Irene Paranych, Audrey Kuzio, Donna and Sandra Randall, Sharon Saik and Ruth Federation. Misses Stella and Nadia Grabas were in charge of the posters.

Sonia Stepanik received the award for the best garden in the club. Presentation was made by Mr. Fleming.

Judges were Mr. Fleming and Miss Mascaluk, district home economist. A program entitled "The Beetles Are at It Again" was given, followed by interesting talks given by the two judges. A film on 4-H work was enjoyed by the visitors.

The girls presented each of their leaders, Mrs. W. Kravetz and Mrs. Stan Randall, with a gift.

Members of the Two Hills 4-H Garden Club were present on this occasion.

The Innisfree group attended the Two Hills Achievement Day on a later date.

THE SCHOCK relationship boasts four generations of girls. They are Mrs. John Schock, Mrs. Glenn Pyle and, seated, Mrs. Dora Fried holding her great grand-daughter, Tanis Marie Pyle. About two years ago Mr. and Mrs. John Schock were privileged to have a picture of four generations of boys printed in this paper.

Bank Of Nova Scotia Offers New Plan For Low-Cost Consumer Loans

EDMONTON — F. William Nicks, vice-president and general manager of The Bank of Nova Scotia, has announced the introduction by the bank of a complete consumer loan and instalment credit service, to be known as Scotia Plan Loans.

"Banking plays an ever-increasing role in the everyday life of Canadians", Mr. Nicks said in making the announcement. "We have given considerable study to the need, in a growing economy like ours, for an expanded consumer credit service. As a result we are introducing the Scotia Plan, thus adding another dimension to our range of customer services.

"Wise borrowing is part of good money management; and this new program, the most comprehensive of its kind to be offered by a Canadian bank, will make low-cost loans available easily for any worthwhile purpose."

The Scotia Plan includes three types of loans—on signature alone, on automobiles, and on home furnishings. It was not until the last revision of the Bank Act, in 1954, that the chartered banks of Canada were permitted to make loans against chattel mortgages.

Scotia Plan Loans will be made at any of the Bank's 500 branches in Canada. The loans will be life-insured at no cost to the borrower.

RECEIVES GIFTS

Mr. W. Badry, who has been a resident of Lac la Biche for some years is leaving during the week and the farewell for Father McGrane also served to make two presentations to him. Father McGrane made a presentation to Mr. Badry on behalf of the Knights of Columbus and in turn Mr. E. G. Dobson presented a gift from the local Lion's Club.

Noral

A. B. Wilfred Woychuk spent a month's holiday with his parents here.

Mr. and Mrs. Alex Woychuk of Andrew were guests of Mr. and Mrs. Fred Woychuk.

Mr. and Mrs. Alexander Sawchuk of Westview, B.C. visited Mr. and Mrs. George Gordey.

Mr E. Anderson is a patient in the Lac la Biche hospital.

Fred Woychuk and Cliff Henson accompanied Mike Kniazky to Edmonton.

Mr. and Mrs. F. Woychuk are the proud grandparents of a daughter, born to Mr. and Mrs. Ronnie Lloyd of Lac la Biche.

Olga Koreluk is attending school in Lac la Biche.

Mr. and Mrs. P. Cebuliak visited here recently. They were accompanied by John Skoreyko, who remained in the district.

Amber Valley

N. Liscombe from Vancouver and Mr. Simpson from Chicago are visiting friends here.

The Sneed family sang at the Salem Baptist church on Sunday and are expected to return to Edmonton where they will sing at the Pentecostal Tabernacle.

Plamondon Bay

Recent weekend visitors at the home of Mr. and Mrs. G. L. Ladouceur were Mr. and Mrs. L. Johansen, Mr. Smith and daughter, Rose, and grand-daughter Susan, all from Lac la Biche, and Mr. Steve Krupa, Joe Ladouceur, and sister Linda, all from Edmonton.

Mr. Felix Powder and daughter, Mrs. G. Ladouceur recently motored to Edmonton, to visit Mrs. Powder, who is ill in hospital.

Mrs. M. Ladouceur accompanied grandchildren, Linda and Joe Ladouceur back to Edmonton on Sunday.

BIRTHDAY PARTY

PLAMONDON BAY — A birthday party for Buddy Frederick and Paul Parranto was held at Mr. and Mrs. P. Parranto's home Saturday, Sept. 20.

The many guests enjoyed an evening devoted to music and conversation. The party was climaxed with a lunch.

Advertising is good for business: it's even good for our business.

Construction Permits Total $155,415

(Continued from Page One)

the cost of which is estimated at $15,000 on property situated at the junction of the St. Paul and Edmonton highways.

This triangle has long been recognized as one of the choicest locations in Lac la Biche for such a business.

The L-shaped building, to be constructed of concrete blocks with stucco finish, will be of the latest design. The 4-stall garage and two gas pumps is expected to be in operation late this Fall. Purity 99 products will be sold.

Owners of this modern business are Robert and James Joncas, well-known residents of Lac la Biche. James has been associated with the Central garage and more recently with the Victory garage for 12 years as a mechanic. Robert, who has been a foreman for Poole Construction in Edmonton for 8 years, will make his home here, along with his wife and four daughters.

BUILD STORE

The concrete block walls of the new Hamar store situated beside the present one are going up and the cement floor has been completed.

OFFICE, WAREHOUSE

An office building is being built by Dr. Bouvier, as well as a warehouse by Ed Hawirko.

MACLEOD'S STORE

The Mischuk building, which will house Macleod's store is being redecorated at the present time, as well as the building formerly occupied by the Peter Smolaks, but which is now owned by Larry Pruden. Work is expected to be resumed shortly on the school gymnasium and it is expected that construction of the new R.C.M.P. barracks will be started very soon as well as the rebuilding of the federal dock.

Reducing Drugs May Hurt Eyes

LETHBRIDGE — A warning that indiscriminate use of reducing drugs can cause cataracts in the eye was heard by the annual meeting of the Alberta division, Canadian Medical Association.

Dr. M. R. Marshall, professor of opthomology, University of Alberta, said reducing drugs should be taken under doctor's direction

It's a trustful wife who gives her husband letters to be mailed.

Premier Steel Acquires City Plant

President of Premier Steel Mills Ltd., F. G. Winspear, announced Tuesday that his company had acquired control of the Edmonton Steel Fabricators Ltd. plant on Highway 14, just east of the city. The deal involves property and equipment valued at $2,000,000.

Edmonton Steel Fabricators has been active for some years in manufacturing sucker rods for the western oil industry, tools and dies and the general fabrication of products for the growing industrial needs of Alberta and Western Canada.

Premier Steel Mills regards the acquisition of this company as a logical development of the steel industry in Alberta," said Dr. Winspear.

His company exercised its option to acquire 80 per cent of the re organized share capital of Edmonton Steel Fabricators. Subject to making satisfactory arrangements for orderly refinancing of Edmonton Steel Fabricators, Premier Steel will, operate it as a subsidiary.

The president said his company regards Alberta as the significant area in Western Canada for development of a primary steel industry.

It is proposed that the new machinery for manufacture of nuts, bolts and railroad spikes will be installed and that in addition to the existing and expanded operations, Edmonton Steel Fabricators also will embark on the manufacture of various other requirements for the oil industry in Western Canada.

New equipment for the Edmonton Steel Fabricators plant has been ordered and probably will be installed within a few months.

Premier Steel, which has been in operation for several years, represents an investment of $5,000,000. It has 400 employees. The general manager of both plants will be G. R. Heffernan, who has been in charge of operations at Premier Steel since it was organized.

Instruments carried by rockets have reported currents of high-amperage electricity flowing above the earth after solar eruptions.

Youth Killed In Stolen Car

EDMONTON — Adrian Heykants, 16, of Edmonton was killed Sunday night in a car accident near Legal, 30 miles north of here.

Police said the car he was driving had been stolen earlier in the day. It crashed into the rear of a parked truck.

Stanley Churko, a passenger in the car, suffered minor abrasions. He later was arrested and charged with theft.

...so both are building up bank accounts

Nowadays, practically everybody has a bank account.

Last year alone, forward-looking Canadians opened 450,000 new deposit accounts in the chartered banks—almost as many as the increase in population.

The owners of today's 11 million accounts know a bank is the safe, convenient, pleasant place to build up funds for every need and purpose.

They know, too, that in a chartered bank you deal with skilled, friendly people, ready to help with *all* your banking.

THE CHARTERED BANKS SERVING YOUR COMMUNITY

Lawyer Challenges "Experts" In Town Planning Conference

TORONTO — P. G. Davies, lawyer of Clyde, Alberta, has taken issue with American "experts" on questions concerning town planning. The questions are: Should community planning be imposed? Or should the initiative come from citizens?

A New York state official clashed with two Canadian experts over the questions last week at a three-day national planning conference.

William D. Carlebach of Albany, deputy commerce commissioner, told the conference his state recognizes local autonomy and has developed a successful planning program through local initiative.

"It is unrealistic to believe that political boundaries, even though they are today wholly inadequate to deal with the problems of our shifting population, can or will in the foreseeable future be removed from our maps," he said.

"But if local acceptance of planning and zoning principles can be fostered, then it follows that the regional approach will not be far behind."

Mr. Carlebach was promptly challenged by lawyer P. G. Davies of Clyde, Alta., a member of the royal commission that investigated metropolitan development in Calgary and Edmonton.

"The Canadian experience," he said, "is that we have found to our sorrow and untabulated expense that the old conception of boundaries being inviolate will not work.

"It seems clear that the challenge today at the metropolitan and regional planning levels is a direct one to the members of our provincial legislatures. With but few exceptions, I regret to say, municipal councillors as a group are not prepared to preside over —much less propose—any measures which may lessen their authority or reduce the jurisdiction of their respective councils."

As for the United States, three years ago the president of the Association of American Mayors had said in Edmonton that "the greatest single problem facing cities in the U. S. was their inability to do anything about the maze of local governments which were unable to agree with one another on a common policy for the benefit of the inter-related whole."

Stenog's Delight

Billers — This typewriter will revolutionize the industry!

Sellers — How?

Billers — Look at the adjustable mirror, powder compartment, a powder set built in, and a hide-away, for chewing gum.

Couple Honored At Farewell Party

EGG LAKE — Mr. and Mrs. James Rudiger were honored at a surprise farewell party, Sept. 26.

A pleasant evening spent in dancing was climaxed by the serving of lunch.

On behalf of the community Mrs. Rudiger was presented with a set of stainless steel kitchen accessories and Mr. Rudiger with a billfold.

Mr. and Mrs. Rudiger have spent the past three years on the farm rented from Laurent L'heureux. The former will soon start working for the Imperial Mills at Mile 137 on N.A.R. line.

Mrs. Rudiger will reside in Lac la Biche with her two children.

EXTEND DATE FOR SHIPMENTS

WINNIPEG — The board of grain commissioners has extended to Oct. 31 the period in which American shippers will be allowed to use the Port of Montreal for overseas movement of corn, flax and rye, a board spokesman said here.

The spokesman said the period already has been extended several times since little Canadian grain is moving east from the Lakehead for export.

The privilege granted to the Americans is not delaying movement of Canadian grain from the Lakehead, the spokesman said. "If there was any Canadian grain moving we would never approve the American shipments."

Taxi Driver Robbed Loses Car, $620

EDMONTON — Taxi driver Ernie Durston was robbed of $620 in cash and had his car stolen early Tuesday by two men who took the money at knife-point. The car was recovered shortly after the a.m. robbery. Police said Durston suffered several knife scratches and shock.

WHO IS THE MAN FROM WALES?

Who is the Man from Wales who is coming to Edmonton this month? He is Rev. Ivor Powell, one of the best known Baptist Evangelists in the world today.

Mr. Powell will conduct a two-weeks Baptist Evangelistic Mission from Oct. 19 to Nov. 2 at First Baptist Chuhch, 109 St. south of Jasper Ave. He will speak Sundays at 7:30 p.m. and weeknights at 8:00 p.m.

Ordained by the Baptist Union of Wales in Oct., 1934, Mr. Powell has been a preacher for 24 years, including 16 years as an evangelist.

Mr. Powell came to Canada under the auspices of the Baptist Federation of Canada. He has just completed a most successful mission in the Maritimes.

Prior to coming to Canada Mr. Powell was preaching in Australia and New Zealand. Previous to this engagement he spent three years as the official evangelist of the Baptist Union of South Africa and Southern Rhodesia.

He is an author of 10 books and

"THE MAN FROM WALES"

has produced five motion pictures which he will show at weeknight meetings. The Man From Wales believes the Bible to be the inspired word of God and in its power to change lives.

Grassland

Mr. and Mrs. Dirsch and Mrs. Keith MacDonald of Slave Lake were weekend visitors in the district. While here they indulged in duck hunting.

Mr. and Mrs. Sakulich and son John of Edmonton were recent guests of Mr. and Mrs. Ted Leshchyshyn.

A farewell party was held at the Richard Garnier residence, recently, in honor of John Murowchuk and John Hula prior to their departure for Calgary to take courses at the Institute of Technology and Art.

Mr. and Mrs. Mellott made a recent trip to Edmonton to bring home their baby from the Royal Alexandra Hospital.

HSA Hears Talk On Credit System

The Lac la Biche Home and School Meeting was held in the Dr. Swift school, Sept. 26, with 95 parents and members present.

Mr. McMillan introduced the teachers to the parents. At this time the count for the attendance banner was taken and Sister Jean's grade 8 room won the banner with a count of 19.

Miss End, the new music teacher spoke to the parents, urging them to enter their children in the Amateur Night being sponsored by the Lion's Club, Nov. 6. Miss End will give a piano recital at the end of the year. She has 28 pupils at present but would be able to teach more than this number if there are those who care to take lessons.

Mr. McMlilan gave the parents an enlightening talk on the High School Credit System. Scholarships, given to the honor students from grades 9 and 12, by the different organizations in Lac la Biche were mentioned.

A social evening of games and a film followed the business session.

At the close of the evening, doughnuts and coffee were enjoyed by all.

Egg Lake

Mrs. M. J. Lafontaine is spending some time at the home of her sister and brother in law, Mr. and Mrs. Maurice Lebeuf.

Mr. and Mrs. Bernard Amiot made a trip to Edmonton recently.

Charles Girard from Edmonton is spending a few weeks here to harvest the crop on his farm.

Miss M. Rose Germain is working at the home of Mr. and Mrs. James Rudiger.

Farmers in the district report little grain has been threshed so far and no combining done, due to the frequent rains.

There are some newspaper editors suffering with sprained arms from patting themselves on the back.

Pontiacs Of 1959 Set Record In Styling

Pontiacs for 1959 are wider, lower and styled right up to the minute, according to information released today by General Motors of Canada, Limited.

"Pontiac has broken all bonds of tranditional styling and engineering in 1959 with the most progressive change in its history," a General Motors spokesman said.

"We are confident that the public will hail the 1959 Pontic as one of Canada's really new cars. From every angle the car reflects ultra-modern design. Unprecedented styling innovations, resulting in a lower, wider car, give the 1959 Pontiac a dramatically new appearance."

The low, cleanly-styled body, topped by a slim-line roof, gives up to 50 per cent greater glass area. Windshields in all models provide added driving safety with up to 61 per cent greater visibility.

Pontiac has a twin "air scoop" grille, housing dual headlamps and capped by a low hood with a contoured "V" extending from the grille and terminating at the cowl. Each model features a long, sweep-ingside moulding that extends the full length of the car and ends in a downswept curve behind the rear wheel opening. Sculptured front and rear bumpers blend into the body.

Overall height has been reduced on all models. The lowest are the two-door hardtop sport coupes and convertibles at 54 inches. All models feature increased roominess. Passenger comfort has been emphasized. Seats are wider with higher backs and they taper downward at the rear, providing maximum support under the knees for safer, more comfortable driving. The upper instrument panels have a textured finish to eliminate glare. The instrument panel compartment has been enlarged and is equipped with a new door designed to serve as a handy snack bar with four depressions for sizeable drinking cups.

Pontiac offers 26 models in six series: Five Parisiennes, three Laurentians, three Strato Chiefs, five Bonnevilles, three Star Chiefs and seven in the new Catalina series.

NEW FINISH

Fifty-seven exterior color combinations are offered in Magic-Mirror acrylic finish in the Bonneville, Star Chief and Catalina series, and 40 exterior two-tone and 21 solid colors are offered in the Parisienne, Laurentian and Strato Chief series This tough body finish which will be standard on all models, is two to five times more durable than other paints and is virtually impervious to sun, salt air, rain and temperature changes.

Among options offered this year are new elecrtic windshield wiper and washer systems, greatly improved Turbo Glide transmission, power brakes and power steering, air suspension, a six-way power seat and a Sportable transistor radio with push button control.

A good skipper always watches the weather. When a storm threatens, head for the closest safe anchorage. If a storm overtakes you on the lake, stay low, throttle down, and head into the waves. Play safe for more fun afloat.

THE Homemaker

By EDITH WHITNEY

Buying a Winter Coat?

Buying a winter coat is a major investment, one about which you can not afford to make a mistake. Consider carefully:

1. The length, this winter's coats come in every length from hip-length to skirt-length. These less than full length coats look newer, but require the most careful kind of co-ordination with every skirt you plan to wear under them. A full length coat may be a better buy for you.

2. The color. Coats now come in a rainbow of beautiful colors. A clear red or a nice bright tweed can be a bright sight on a winter's day. But remember that when you buy a winter coat you have to wear this for a long time, for winter is long and perhaps for several winters. So be careful to pick the coat you will not tire of quickly.

3. The trim on your coat. If your coat is to be an all occasion one, it might be a good idea to choose one you can wear with different scarves, fur pieces, or jewelry, and therefore have different looks for different times of day.

If advice is all you want, you can get it without expense.

We wonder when some people we know find time to breathe.

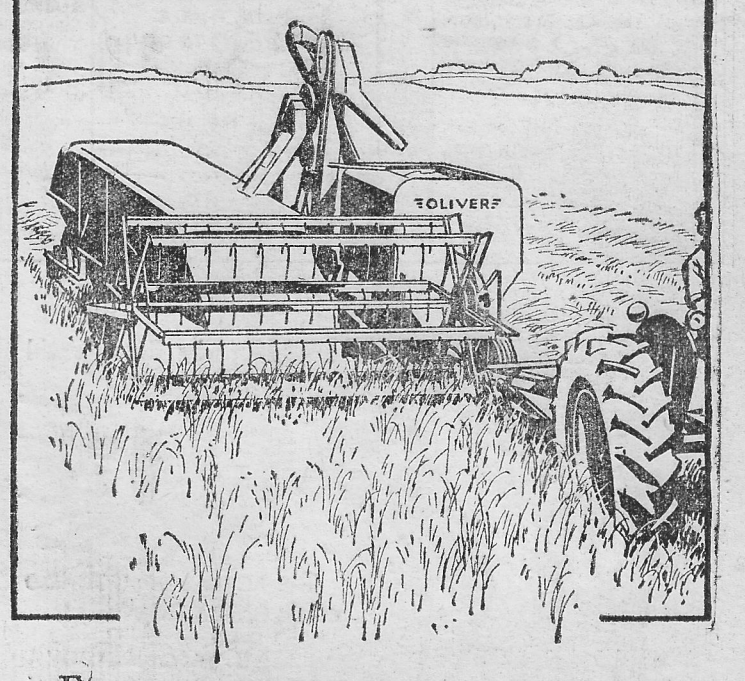
7-FOOT COMBINE



Faster cutting...thorough threshing...cleaner separation—you get all three with a new Oliver model 18. Its big 7-foot header is perfect for wide or narrow-spaced soybeans—boosts capacity in grains, too. Semirevolving reel saves extra heads at the cutter bar. The new centering auger and undershot feeder give better control of the crop. Concave adjusts at both ends. And that big, long Oliver straw rack always shakes out more kernels. See all the new features on the new model 18 here...next time you're in the neighborhood.

Former Resident Called To Rest

SARRAIL — Funeral services were conducted at Drumheller Greek Catholic church for Mrs. Tony Krawec (nee Mary Nahorney) who passed away at her home.

Mrs. Krawec was born in this district 42 years ago and resided here until her marriage.

She is survived by her husband, Tony; one son, Tommy; one daughter, Betty; her parents, Mr. and Mrs. Nahorney; one brother, Fred and two sisters, Millie and Annie.

Pallbearers were Nick and George Hewko, Lawrence and Walter Nahorney and Paul Hoyas. Interment was in the Greek Catholic Cemetery in Drumheller.

Those from this district who attended the funeral were Mr. and Mrs. Nick Hewko, Walter Nahorney and family and Mrs. Fred Nahorney.

Ontario May "Bag" Breath

MONTREAL—The Ontario government is considering asking motorists involved in accidents to blow into plastic bags to provide breath samples for tests of the alcohol content of the driver's blood.

Frank L. Wilson of the Ontario attorney-general's department told the annual meeting of the Canadian Good Roads Association the samples would be blown into a plastic bag carried by the investigating ponce officer. These would be analyzed later with the help of breath analyzers.

At present there are only 18 breath analyzers in use in Ontario, Mr. Wilson said.

The purpose of breath analysis findings in court procedures is to confirm or refute other evidence presented. Mr. Wilson stressed that a person could not be convicted solely on breath analyzer evidence of the alcohol content in the blood.

Caslan

Clyde Tillapaugh of Goose Lake made a brief visit to the district recently.

Willard Wolansky has been working on a threshing outfit at Wandering River.

Mrs. York and family were visitors at Goose Lake over a recent weekend

Garth Gordon, youngest son of Mr. and Mrs. Pat Gordon, was taken to the Lac la Biche hospital for medical attention.

Life is what you make it, or what it makes you.

PREVENTION WEEK HERE

"Don't Give Fire A Place To Start"

Canada's fire fighting services start a giant safety appeal in this North America's Fire Prevention Week.

Alberta fire departments are co-operating with school fire drills, inspections of homes and businesses, and by offering educational information through their local newspapers.

Originally timed to the anniversary of the great Chicago fire, Oct. 8, 1871. Fire Prevention Week has been proclaimed by royal proclamation in Canada and by the president of the United States since 1922.

A fire prevention day was first observed in Nova Scotia, Ontario and Saskatchewan and in 1919 a national royal proclamation was issued for the day.

Next week's observance carries with it a grim record from last year when there were 640 deaths by fire throughout Canada and a direct property loss of $134,700,000. Both figures were records.

During the last 10 years, 5,337 have died in Canadian fires.

Waste and loss through forest fires is enormous and Canada has a force of 27,000 fire fighters, professional and volunteers.

Fire fighting officials say that of every 10 fires, nine are the thoughtless neglect of the simplest precautions.

"Don't give fire a place to start," is the slogan for Fire Prevention Week.

The fire prevention campaign is jointly sponsored by the Association of Canadian Fire Marshals and the Canadian Association of Fire Chiefs. The fire prevention drives will be carried out in 2,500 municipalities throughout Canada.

Sarrail

Mrs. Anna Hewko has been holidaying in Edmonton.

Richard Garnier of Grassland has been employed to drive a school bus.

Mrs. Walter Rekovetsky and daughter will leave for Yellowknife shortly to join Mr. Rekovetsky who has obtained a situation there.

Pontiacs for 1959 are wider and lower, with up to 50 per cent more glass. Completely restyled, the Pontiac has larger brakes, easier steering, improved suspension, and a new 150-horsepower six-cylinder engine with a new single barrel carburetor and new distributor to give better gas mileage and more usable horsepower at normal driving speeds. Five engines — six and eight-cylinder — are available in domestic models. Pontiac's new radiator has 48 square inches more core area, providing more efficient cooling. A tough acrylic finish, from two to five times more durable than other paints, is standard on all models. Pontiac offers 26 models in six series: five Parisiennes, three Laurentians, three Strato Chiefs, five Bonnevilles, three Star Chiefs and seven in new Catalina series. Above is the Strato Chief Four-Door Sedan.

Chief Dobson Reports Lac la Biche Fire Loss Totals $440 This Year

LAC LA BICHE — Property damage due to fires has been remarkably low in Lac la Biche last year and to date in 1958. According to the records of Fire Chief E. G. Dobson, property damage in 1957 was $346.00. To date this year the figure stands at $440.00.

The largest single loss was due to damage to the interior of a dwelling struck by lightning. Other lesser fires this year were one grass fire, a fire presumably set by children playing in a yard, which burned some stove wood and part of a fence, a fire caused by an overheated furnace, and one caused by faulty electrical connections. All fires were quickly brought nuder control.

Fire equipment owned py the Town of Lac la Biche consists of one La France pumper, capable of 500 gallons per minute, 1,200 feet of 2½ inch hose, 1,500 feet of 1½ inch hose, fog nozzles, sprays and play pipes, CO2 fire extinguisher, a dry chemical extinguisher. portable water pump, smoke mask, 2 hose clamps, and protective clothing for 12 men.

The volunteer brigade attended a hose rolling competition at Bonnyville in July. Later they were hosts to teams from Cold Lake R.C.A.F. Station, St. Paul, Elk Point and Bonnyville. Baseball was enjoyed followed by a spaghetti dinner. Special guests for that occasion were Dick Belland, Chief Fire Inspector for Alberta, and Mrs. Belland.

The following is a list of the present members of the Brigade: E. G. Dobson, Chief, J. A. Williams, O. D. Tremblay, J. Zaluzny, J. Hayduk, J. Hamar, J. T. Mackriss, J. Onefruw, R. Rudiger. J. Joncas, F. Parent, W. Tardif, H. Marchildon, L. Richard, A. Richard, R. Liddle, B. Rizzoli, I .Ewanchuk, J. J. Tremblay, J. Konowalchuk, E. Shanks, O. Aabak.

Mr. Dobson has been Fire Chief for a period of five years in which the work of the brigade has steadily been showing improvement until the group is now able to compete with any brigade in the Province. Chief Dobson today made the statement that there is at present room for a few replacements on the Brigade due to certain members moving to other districts.

Venice

Mr. and Mrs. Rosaire Bossio and daughter, Patricia from Edmonton were recently visiting at the home of Mrs. Bossio's mother, Mrs. Irma Giacobbo.

Frank and William Lefebvre made a recent business trip to Vilna.

Nick Torresan has returned home after working for some time at Mile 253 for the N.A.R.
